BASIC MINISTRIES

Kelly D. Cox

AUTHOR | CREATOR | FAITH & PRACTICAL POSSIBILITY

TV / MEDIA

Faith, decisions, and creative possibility.

Consider Kelly for an interview about Quantum Choices, the decisions that shape our lives, or practical creativity. His work through Basic Ministries brings together books, teaching, music, and ongoing software and website projects.

A GOOD FIT FOR

Television and digital interviews, community features, author segments, and print or online profiles.

INTERVIEW ANGLES

Inside Quantum Choices

Explore the ideas behind Quantum Choices and Kelly's reflections on faith, decisions, and the possibilities ahead.

One person, many ways to create

Books, music, websites, and apps: a conversation about curiosity, learning, and turning ideas into tangible work.

Technology built around people

Practical examples of identifying a need and creating a useful tool, including web portals and custom applications.

ABOUT KELLY

Kelly D. Cox is the author and creator behind Basic Ministries. His work brings together faith-centered books, teaching, music, and custom websites and apps. Kelly shares practical stories about choices, growth, and creating useful things for people.

For producers & editors
