BASIC MINISTRIES

Kelly D. Cox

AUTHOR | CREATOR | FAITH & PRACTICAL POSSIBILITY

SPEAKING EVENTS

Practical faith. Purposeful choices. Forward motion.

Bring a grounded conversation about faith, purpose, and possibility to your gathering. Kelly explores themes from Quantum Choices alongside practical examples of solving problems, creating useful things, and taking the next step.

A GOOD FIT FOR

Church gatherings, community events, book discussions, and groups interested in faith, growth, or creative problem-solving.

TALKS TO EXPLORE

Quantum Choices

A faith-centered conversation about decisions, responsibility, and taking intentional steps toward the future you want to build.

Focus Faith Finish

Explore purpose, discipline, and the practical choices that help turn a meaningful intention into action.

See a problem. Build a solution.

Lessons from hands-on projects, from a global network training lab to websites and apps built around people's needs.

ABOUT KELLY

Kelly D. Cox is the author and creator behind Basic Ministries. His work brings together faith-centered books, teaching, music, and custom websites and apps. Kelly shares practical stories about choices, growth, and creating useful things for people.

For event planners

Share your organization, audience, location, proposed date, session length, and the outcome you hope to encourage.
